# MASTOPLASTIES

## 7<sup>th</sup> INTERNATIONAL AESTHETIC PLASTIC SURGERY COURSE

*Director: Giovanni Botti*

[www.cq-travel.com/villabella](http://www.cq-travel.com/villabella)

Dear colleagues and friends,

we are announcing our 2012 aesthetic surgery course (Mastoplasties) and hope that you will join us in lake Garda. As usual the course includes **three days of Live Surgery** and lots of interaction with the International faculty, as well as a fun atmosphere for the social event, and a dine around lunch programme.

Please refer to the pdf programme to see the invited faculty list, which you can find on this page. For those who love Italy, 2012 offers a unique opportunity to combine two prestigious training opportunities. In 2012 the ISAPS postgraduate course will be held in lake Como from the 1st June-3rd . This means that for those of you who would like to make the trip into a holiday, you can join us on **lake Garda from the 25th-27th May** (Friday to Sunday) for the **Mastoplasty course**, spend a few extra days around Garda, or as an alternative spend some time in Verona and Venice, to then return to lake Como where the ISAPS course (with the emphasis on facial aesthetic surgery) will be held from the 1st-3rd June (Friday to Sunday)

Please contact the organizing secretariat for any other information that you may need.

Best regards  
Giovanni Botti
